Invitation Letter

To whom it may concern,

On behalf of the Local Organizing Committee, we would like to extend our most sincere invitation to you for participating in the

The 2023 ICPC Asia Macau Regional Contest, 18-19 Nov 2023

taking place at the University of Macau, Macau.

The International Collegiate Programming Contest (ICPC) is an algorithmic programming contest for college students. Teams of three, representing their university, work to solve the most real-world problems, fostering collaboration, creativity, innovation, and the ability to perform under pressure. Through training and competition, teams challenge each other to raise the bar on the possible. Quite simply, it is the oldest, largest, and most prestigious programming contest in the world.
